Resource of the Month: Academic Career Planning Series

Understanding the Guidelines for Rank at SOM

April 8, 2021 from 1-2:30PM

Writing Your Personal Statement

April 20, 2021 from 9-10:30AM

Preparing Your Promotion Dossier and Academic Portfolios

April 28, 2021 from 1-2:30PM

The Academic Career Planning series is designed to provide information to faculty about the School of Medicine resources and information to facilitate faculty advancement. This series provides faculty with resources on understanding and applying the guidelines for rank, developing an academic career

strategy, and developing an academic portfolio and personal statement to ensure successful advancement with the School of Medicine.

If you are interested in participating in the Academic Career Planning series, please visit [here](#). For any questions, please contact MDFacultyDev@tcu.edu.

Clinical Preceptor Corner

Hello LIC Preceptors,

Spring has sprung and the LIC continues on!!! Our students completed their 9-week inpatient immersion at the end of 2020, and they are now over 25% of the way through the ambulatory LIC. They have also started shifts in the ED as well as inpatient burst experiences to gain more exposure to all aspects of medicine. Finally, they have logged over 5500 required clinical experiences. And none of this could happen without you. Thank you again for helping to educate the next generation of physicians. [Here](#) are some Tips and FAQs.

Call for MedEd Research and Scholarship Development Facilitators

The Medical Education Research and Scholarship team is looking for faculty leads for the 2021-2022 Medical Education Research Works in Progress (WIP) Group and the Medical Education Writing Accountability Groups (WAG). For more information, please view the online form and if you are interested in serving as a lead facilitator for one of these programs.

Please submit your information to the Office of Faculty Affairs and Development via the online form at: https://tcu.co1.qualtrics.com/jfe/form/SV_6Jzd2Tmzq4guuRE before April 30, 2021.

SOM COVID Prevention Kits

Donate cleaning supplies to Fort Worth families!

The Covid-19 pandemic and winter storm has caused many households to lose their income and therefore, ability to pay for necessary household supplies.

We will be accepting donations on a rolling basis. Our first donation event is Saturday, 3/27, please donate today!

Scan this QR code to access our Amazon Wishlist.

Last year, the "60 for 60" clothing drive was a huge success in providing school uniforms to children in our Learning Communities! This year, we spoke with community leaders and learned that many families are in need of essential cleaning supplies. We all know that cleaning supplies are expensive, and with more people spending time at home due to the pandemic, this is a need that many families still have.

We hope to assemble cleaning supplies into COVID Prevention Kits, to distribute at the community centers and COVID vaccine registration events that are happening in our Learning Communities.

You can see a list of supplies on our Amazon Wishlist at <https://linktr.ee/FWMDCOVIDKits>

1. Make your purchase
2. Click "Gift Registry Address" and ship it off!
3. Tell your family and friends to participate!

More Information Regarding In-Person Donation Locations Will Be Forthcoming

Should you have any comments, questions, or concerns please feel free to reach out to one of the contacts listed below. We are so excited to be partnering with our Fort Worth communities: Como, Stop 6, Northside and Diamond Hill. A donation can go a long way for these families.

If you have any questions, please contact Samantha Evans

(s.l.evans@tcu.edu), Sarah Lyon (s.lyon20@tcu.edu), or Toni Igbokidi (a.igbokidi@tcu.edu).

SOM Career and Professional Development Team is seeking Physician Mentors!

The SOM **Career and Professional Development** team is recruiting board-certified physicians to share their career experiences with students. There are four different ways this can be accomplished: Lunch and Learn Speaker, Career Advisor, Mentor, and/or Whole Person Doctor Series. If interested, please reach out to the Career and Professional Development team at MDCareer@tcu.edu

Please click [here](#) for the full flyer.

Upcoming Faculty Affairs and Development Sessions

Faculty Wellness Series

4 sessions in April via Zoom

Has the COVID-19 pandemic raised your feeling of being overwhelmed? Are you feeling especially disconnected from those around you? Curious about what coaching is and what it can do for you?

We are happy to provide this focused series to provide you the opportunity to develop an awareness to your current stressors, particularly related to the psychological crisis of COVID-19 and through a coaching facilitated process, allowing you to identify and develop an awareness of the range of reactions and possibilities for coping with these stressors.

For more information on the series and how to register, please visit the registration form [here](#). Faculty who have already participated in a previous series offering are welcome to participate! Please register by **April 12, 2021 by noon**.

For any questions of concerns, please e-mail MDFacultyDev@tcu.edu. We look forward to your participation!

Academic Career Planning Series

Facilitated by Jennifer Allie, Ph.D., MPA
SOM Office of Faculty Affairs and Development

The Academic Career Planning series is designed to provide information to faculty about the School of Medicine resources and information to facilitate faculty advancement. This series provides faculty with resources on understanding and applying the guidelines for rank, developing an academic career strategy, and developing an academic portfolio and personal statement to ensure successful advancement with the School of Medicine.

Educational Technologies Office Hours

April 20, 2021

9:00 AM – 10:00 AM

Via Zoom

No RSVP

Join Shelby Miller (Academic Technologist) and Carrie Patterson (Instructional Designer) for Educational Technologies Office Hours the third Tuesday of every month from 9-10 am.

This is a time for you to ask your Ed Tech questions, brainstorm ideas, or get a demo of that month's featured technology. We are happy to continue to meet with you individually at a different time if this does not work for your schedule.

Upcoming featured technologies:

- April – Padlet
- May – iClicker
- June – TBD

Please e-mail Shelby Miller at Shelby.Miller@tcu.edu for the Outlook Calendar invite for the full series.

Save the Date: May Grand Rounds and Workshops

History Repeats Itself: The Role of Humanities and the Arts in Medical Education

Facilitated by Chase Crossno, MPH and Lauren Mitchell, Ph.D.

May 4, 2021			
Grand Rounds	7:30 AM – 8:30 AM	Via Zoom	No RSVP
May 11, 2021			
Workshop 1: Empathetic Reflection	9:00 AM – 10:30 AM	Via Zoom	No RSVP
May 18, 2021			
Workshop 2: Compassionate Action	9:00 AM – 10:30 AM	Via Zoom	No RSVP

Grand Rounds Description:

In the last decade, many schools in the U.S. have seen an uptick in interdisciplinary programs that combine the methodologies of the arts and humanities with the philosophies of medical practice. Though this may seem new, this relationship between medicine and the arts and humanities is historically informed. In this Grand Rounds session with The Compassionate Practice®, we will show you a peak behind the curtain of our unique spin on the medical arts and humanities, framing our unique pedagogy within the history of medicine. Participants will get to experience at least one of our exercises, and will learn more detail about how our theatre and arts-based pedagogy falls into an interdisciplinary tradition.

Details and Zoom link are forthcoming!

Upcoming External Sessions

TBL Fundamentals Series

InteDashboard and Team-based Learning Collaborative

April 8, 2021

[Register Here](#)

The Team-Based Learning Fundamentals Series is a comprehensive introduction to team-based learning (TBL). The program is meant for educators who are either new to TBL or who want to focus on fundamental TBL techniques and apply to their own teaching and curriculum. Upon successful completion of this five workshop series, participants will receive the Knowledge of the Fundamentals of TBL Certificate from the Team-Based Learning Collaborative (TBLC). At the end of the workshop series, you will be able to schedule a one-on-one consulting session with a TBL consultant.

This series is offered by the [Team-Based Learning Collaborative \(TBLC\)](#) in association with [InteDashboard](#), who have trained 100+ educators in team-based learning fundamentals during the pandemic, with a 9/10 feedback rating.

During the series, you will learn:

- The essentials of the TBL process
- How to identify and address common challenges in TBL module development
- How to become more effective by improving your facilitation skills to create a positive learning environment
- How to improve student teamwork for learning effectiveness and engagement
- How to effectively deliver TBL classes online

This series is meant for educators who are either new to TBL or who want to focus on fundamental TBL techniques and apply to their own teaching and curriculum, especially in the online modality. There is also a June workshop series, which you can view and register for [here](#).

2020-21 Claudia V. Camp Faculty Research Award Lecture

Alienating Aesthetics: Performance Art & the Medical Imagination

Facilitated Lauren Mitchell, Ph.D.

Sponsored by the TCU Department of Women and Gender Studies

April 15, 2021

5:00 PM

Via Zoom

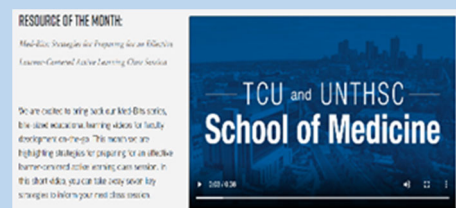

No RSVP

Join from PC, Mac, Linux, iOS or Android (audio and video):
