RESOURCE OF THE MONTH

---

## Academic Career Planning Series

The Office of Faculty Affairs and Development is pleased to offer the **Academic Career Planning Series**. These modules are designed to provide information to faculty about School of Medicine resources and faculty advancement. Faculty who choose to participate will learn:

- To understand and apply the guidelines for rank.
- To develop an academic portfolio and personal statement.
- To utilize modules in Canvas that give an overview of the faculty promotion process in the School of Medicine.

The Academic Career Planning Series is located on Canvas and requires a TCU login to access. To learn more, contact [MDFacultyDev@tcu.edu](mailto:MDFacultyDev@tcu.edu).

## HIGHLIGHTS

---

## HUMed Journal Submissions

The HUMed Journal is currently taking submissions of creative non-fiction, autotheory, poetry, short stories, original artwork, and critical essays. Submissions are posted on a monthly basis.

### Mid-Career Women Faculty Leadership Development Seminar

Applications will open in August 2022 | December 6 - 9, 2022  
Hyatt Regency Indian Wells | Indian Wells, CA

This highly-engaging three-day seminar is designed to provide mid-career women faculty with the knowledge and skills necessary to support their continued progress along the path to leadership in academic medicine and science.

The Mid-Career Seminar is designed for women physicians and scientists with an appointment at an AAMC member school of medicine, with a **minimum of two years of experience** (*from the date of the seminar*) as an Associate Professor.
